A flourishing fellowship; learning today with God by our side

Weekly News

We have had a really busy start to this final half term of the year and the children have come back refreshed from their week's break and excited to tell their teachers all the fun things they did. We hope you all enjoyed your jubilee celebrations too, what an amazing weekend it was.

We celebrated our achievement assemblies on Monday and Tuesday recognising those children who had really tried hard, shown plenty of enthusiasm for their learning and shown our school virtues last half term. Please note that the final achievement assemblies are on the 19th and 20th July.

This week our Year 1 children were our super stars as they did their phonics statutory tests. Mrs Hatton and Mr Motton were so proud of their children and their achievement. They all knew their digraphs, split digraphs, tri-graphs and where not phased at all. We celebrated their amazing results this afternoon with an ice lolly! KS2 children were treated to a ballet workshop on Monday afternoon; they learnt about the history of ballet and were given a short performance of the different movements. We were then very grateful to receive 40 free tickets to their performance at the Bromley Churchill theatre next Sunday. We hope the children attending will really enjoy the performance.

Year 3 have started to learn the recorder, they have learnt how to hold the recorder correctly and how to play note b. Note b could definitely be heard throughout the school! Whereas Year 2 have been collecting objects from the Science garden to use in their nature sculptures, inspired by Andy Goldsworth and Year 5 have been painting landscapes in the style of North American artist Mary Cassatt.

A huge thank you to Mrs White who came in to talk to the Year 4s about the Windrush generation. It really brought the topic to life for them as they could relate their learning to a personal experience. Meanwhile, Year 6 have been learning about courageous animals used in the First World War and found out all about Sergeant Stubby, a dog honoured for his bravery.

Great first week back and we are looking forward to the weeks ahead as we have so many exciting events planned starting with Careers' Week next week.

Have a great weekend.

From Mrs Peyton and the St George's team

Diary dates	
13 June	Wellbeing workshop Y3
14 June	To the One I love Craft gift - Friends
15 June	TUSWDK final
	Aquinas Monitoring visit
17 June	Careers' Day

14 July	Disco day
18 July	Year 6 Leavers' assembly (achievement included)
19 July	EYFS-Y2 Achievement assembly
20 July	Y3-Y5 Achievement assembly
21 July	End of summer term

Book Recommendation

As part of the Queen's Platinum Jubilee Celebrations, this week our children were gifted with a wonderful keepsake book called 'Queen Elizabeth: A Platinum Jubilee Celebration'. The book takes children on a journey through Her Majesty The Queen's life, with chapters on her family and friends, achievements, work with charities, Jubilee celebrations and finally on the Commonwealth. This is a wonderfully illustrated book which we hope the children will all enjoy reading with you at home.

To the one I love craft gift

Reminder from the Friends that on Tuesday, 14th June the children will be bringing home a cute little wooden keyring to personalise, and give to an important male close to them. The Friends are asking for a **voluntary donation of a minimum of £1 per child, to be paid via the school gateway**. If you would like to donate more than £1, please amend the amount on Gateway. Thank you if you have already paid more than £1 previously as part of the female 'To The One I Love' back in March.

Please remember to follow us on twitter so that you can share in all the amazing work that is happening in our classrooms:
