A flourishing fellowship; learning today with God by our side

Weekly News

This week Year 2 have been incredibly busy, learning to play simple melodies on the Boom whackers, discovering information about the UK and its capital cities in geography, as well as sorting, classifying and planting seeds as part of our science topic on plants. The children also thoroughly enjoyed immersing themselves in the sights and sounds of the circus as we start our new book 'Leon' in literacy. They should all sleep well this weekend! Year 1 had a wonderful trip to the Natural History Museum, were in awe of all the exhibits, asked so many questions and just loved being there. Thank you to all the parents that assisted on that day. This term we have had 2 workshops delivered to Year 6 and Year 5 children by Bromley Y that focused on building relationships, social media safety as well as recognising emotions and how to build resilience. The feedback from both the children and staff has been very positive and the skills learned in these workshops will be particularly useful for our Year 6 children as they make the transition from St George's on to their chosen secondary schools. We have also had workshops for both year groups delivered by the NSPCC focusing on personal safety. Have a lovely bank holiday weekend from Mrs Peyton and the St George's team

Diary dates	
2 May	Bank holiday Monday - school closed
	SATs Week Y2
3 May	5C: Bromley library
4 May	3L: Bromley library
5 May	Polling day - school closed Inset day for staff

18 May	Class photos
21 May	Cross Country competition - Yrs 3 & 4
23 May	Jubilee Celebration week
26 May	PE enrichment day - Y5
30 May - 3 June	Half term

Fab Friday

Today the following wonderful children were recognised by their teachers for showing resilience, trying their best, demonstrating a love of learning/curiosity and thinking about others plus being great ambassadors for our school whilst out on educational trips: all pupils in Year 1, Maxi, Charles, Evie, Zahari, Leo, Orla, Enzo, Arabella, Zachary D, Daniel, Thomas, Regan, Sofia, Cristina, Jasmine, Yasmin, Laciee-Maie, Aidar, Ollie C, Freddie D, Sophia A and Belle. Well done to all our superstars.

Library Enrichment

Over the past two weeks, most of our classes have been on their Summer enrichment trip to Bromley Library. Here, our children returned their books and explored a whole range of new texts and authors. They then brought a new book back to school to enjoy and share with their friends this term. It has been great to see our children branching out from the authors that they typically know and love and trying something different. Our teachers and teaching assistants had great fun in recommending new books to the children also!

Football

Both our Year 6 & 5 football teams had their first matches this week against La Fontaine. Dhani, Mr D and Mrs Miles were incredibly proud of both teams as they showed really good team work, perseverance and sportsmanship. All players showed such a great effort, and really enjoyed the games. Dhani stated that they displayed a fantastic attitude and were very supportive and positive to each other. The final scores were 2-1 to St George's for the boys' match and 0-0 in the girls' match. . Players of the matches go to Oliver C, Alfred and Freddie for the boys' team and Victoria for the girls' team.

Book Recommendation

This week, to celebrate all that is good in our world, we would like to recommend 'The Happy Newspaper' by Emily Coxhead. The newspaper aims to bring a refreshing twist on what we know as 'news' by reporting on positive changes and truly inspiring people. For more information, you may like to explore their website: <https://thehappynewspaper.com/?v=79cba1185463> Don't forget to look out for copies of the newspaper in your classroom book corners and our school library!

Please remember to follow us on twitter so that you can share in all the amazing work that is happening in our classrooms:
