

AQUINAS ADVISORY COUNCIL
AAC'S ENGAGEMENT WITH ST GEORGE'S CE PRIMARY SCHOOL

The Aquinas Advisory Council (AAC) met for the second time this academic year as part of its purpose to support and advise Mrs Peyton in raising standards of achievement and progress for all the children at St George's. To achieve this purpose, each member of the AAC has been assigned a special role created to directly support the aims and objectives of the school.

Fr Richard has been liaising with Mrs Peyton with a focus on Safeguarding and Health and Safety; Sandra Wolf met with Mrs Fahey (Inclusion Leader) centring on Inclusion and Well Being; Mariam James will meet with Mrs Arden (Assistant Head) to help further develop the School's Enrichment Programme and Ngozi Melton will continue to liaise with Mrs Murphy (Assistant Head) to offer support on Curriculum Development.

During the meeting, members were pleased to feedback on the wonderful work St George's continues do for our school community, as well as offer advice relating to the assigned key areas.

The AAC would like to commend Mrs Peyton and her amazing staff for responding so efficiently and effectively to the ever-changing demands of running a school during these challenging times.

We look forward to sharing more about the work of the AAC later in the year.
