A flourishing fellowship; learning today with God by our side

Weekly News

It has been another fun packed and interesting week at St George's with a vast range of learning activities motivating our pupils. Year 6 have dissected pigs' hearts in Science as part of learning about the human anatomy. Year 5 have really enjoyed studying The Arrival and inferring meaning from the very detailed illustrations that tell the story. Year 4 have been exploring poetry and also loved their virtual recorder lesson with Mrs Fage too. Year 3 have been exploring the difference between light and dark and what materials are good and bad reflectors of light. Year 1 having been learning about the properties of 3D and 2D shapes and EYFS have been going on a Bear Hunt, learning about the number 9 and using BeeBots in ICT. Whereas our Year 2s have been enjoying their remote learning at home via zoom. All their teachers have been so proud of their resilience, adaptability and focus. Thank you to all the Y2 parents too from the Year 2 team for your support this week. Have a wonderful weekend from our St George's team

Diary dates

Flu vaccinations, whole school: Friday, 27th Nov
Year 6 online safety talk: Friday 1st Dec
Christmas lunch: Wednesday 9th Dec
Christmas Jumper Day: Friday 11th Dec
End of Term: Friday 18th Dec - 1.30pm finish

Stars of the week

Our Stars of the Week were for EYFS/KS1: Amalee, Zachary, Violet, Elizabeth, Noah and Edith for working brilliantly with their peers, always being positive, and showing plenty of improvement, making incredible progress, always participating in class discussions and trying really hard. In KS2: Eilan, Amelia, Harry, Isabella, Lily, Georgina, Jonny and the whole of 6LC for fantastic virtual learning, approaching all their work with enthusiasm, being great collaborators, creating some amazing poetry, being determined, focused and great concentration. Well done everyone!

Friends of St George's

The Friends on thefriendsofstgeorges@gmail.com are keen to hear your ideas for fundraising as unfortunately we will be unable to hold our annual Christmas fair this year. The Year 1 canopy, which was last year's fundraising project, was installed over the half term and looks amazing. It is already making a real difference to their outdoor learning for Year 1.

Marvellous Me

We are so pleased that so many parents have commented positively about our new Marvellous Me app. In these challenging times we hope this is assisting with communication with our St George's community and giving you an insight in to your child's day and all their fun learning activities.

Poppies

We have received a huge thank you from the Royal British Legion for our generous donation this year; £295.82. Thank you to everyone who donated.

Christmas lunch

Reminder to book your child's Christmas lunch for Wednesday, 9th December if your child is in KS2. Menu has been sent out by the office.

Our St George's promotional video

We are very excited to announce that next week we will be launching, on our website, our promotional video for all prospective parents. The video provides an insight in to our daily life at St George's. We hope that you will enjoy it as much as the children did today. We want to reach out to our community so please feel free to let others know. The office will be contacting parents on Monday to ensure consent prior to upload. Many thanks
