A flourishing fellowship; learning today with God by our side

WEEKLY NEWS

This week the senior leaders have been conducting the termly lesson observations and have had the pleasure of sitting in on the amazing lessons our teachers deliver on a daily basis. The children have been focused, keen to learn and eager to chat and explain their learning. All the children are enthusiastic about the texts that they are reading in literacy, they are fully immersed in the stories. Our youngest children in EYFS are thoroughly enjoying their learning which is all based around The Rainbow Fish. Ask your child which book they are reading, which topics they are studying and skills they are learning in PE. We must say that we were so impressed with the badminton skills of the Year 4 children this week and how knowledgeable our Year 3 children are about the Stone Age and our Year 2 children about Samuel Pepys and the Great Fire of London.

Thank you for all your generous Harvest gifts which will be taken to Bromley Food Bank on Monday to help local families in need. Very much appreciated. Reminder from the office to vote in the parent ballot for the parent representatives for our Aquinas Advisory Council.

We hope you have a lovely weekend - the St George's Team

Diary dates

School photos: Friday 16th October (full uniform please)

Secondary school application deadline: 31st October

Half term: 19th October until 2nd November

Parents' Evenings: 3rd (EYFS & KS1 pupils) & 5th November (KS2 pupils); 10th (KS2 pupils) & 12th November (EYFS & KS1 pupils); from 3.30pm- 6pm. A new virtual format using School Cloud.

Stars of the week

Our KS2 stars were Ameena, Tate, Jamsine, Wilf, Laciee, Belle, Oliver and Nathan for fantastic contributions in class, being really engaged in their learning, great role models and showing plenty of resilience. In KS1 Ruby, Chloe, Hudson, Noah, Zaiyah Rose, Leo, Adel and Annabelle for having a very positive attitude, always trying their best, being enthusiastic, working hard and being lovely friends. Jacob, Ameena, Ivy, Annaya, Thea and Daisy won prizes for designing excellent birthday cards for Mr Nourish. All entries are on display in the hall. Well done to them all.

Children's News

Last week, Mrs Lynch sent the Science Fun at Home extra optional home learning to promote World Space Week and she received the following news.

Dear Mrs Lynch

I tried the science experiment about meteor craters. I put some flour and cocoa powder into a pot. We put the cocoa on top so we could see the effects better. And it worked!!! We made craters with marbles. If we drop them from really high it makes a humongous crater and if we drop it from really low, it makes a tiny crater. I think this is because if we drop them from higher, they pick up speed and land harder. I hope you like my video.
from Emily

We love to hear about your home learning so please let us know what you are up to so we can celebrate your successes.

Friends' News

The Friends had their AGM this week and we are very pleased to announce that Louise, Laura and Victoria are continuing as the Chairs and Treasurer, however, they are looking for a Secretary to join their team. If you are interested in this post, please contact the Friends. During the meeting fund raising events were discussed and the following ideas were mentioned, Raffle, Lottery, Bake Off, Christmas cards, Christmas disco and sponsored Christmas challenges. The Friends are very keen to hear your ideas too so please email any ideas to the Friends.

Black History Month - October marks the start of Black History Month. Over the past week, the children have been celebrating the achievements of black, British women who collectively span the past 300 years. Next week, we are looking forward to learning about black, British heroes and leaders. After half term, we will be focusing on black, British culture, delving into the arts and music scene. Our last week's focus will be on language and poetry.

Please remember to follow us on twitter so that you can share in all the amazing work that is happening in our classrooms: Twitter: StGeorgesSchBic
