Click here for instructions:

Paying money to St George's online is an easy process.

The system is called School gateway and it is available for you to use.

1. Click www.schoolgateway.com
2. When you visit the school gateway website for the first time, please select 'New User' and enter your email address and mobile telephone number you have registered with the school.
3. The system will send a PIN code to your phone; please enter this PIN code and your account will be activated for you.

As soon as you have the system set-up, you will be able to pay money to the school online rather than send cash/cheques.

Kindly note, that should you change your email address or mobile number at any time, please remember to inform the school so as to ensure details are synchronised accordingly.

For information, School Gateway is also used for school communications such as the Head of School's weekly newsletter.
