

Our School Vision: At St George's we are proud to be one family of lifelong learners who know they are special to God. Our family is built upon a strong sense of belonging and mutual respect. Our community gives our children the freedom to flourish and succeed.

... A flourishing fellowship: learning together with God by our side ...

Theme:

The topic for this half term is 'Our Planet'. We will be learning about our solar system, where we live and the importance of taking care of the environment.

Expressive Art and Design:

Linked to our theme, children will be experimenting with different materials, colours and textures. Children will be encouraged to work independently to select appropriate tools and use them safely.

Literacy:

In Literacy, we will be reading a wide range of fiction and non-fiction texts themed around 'Our Planet'. We will be focusing on sequencing a story and narratives. We will be reading 'Astrogirl - Ken Wilson-Max', 'Here We Are – Oliver Jeffers' and 'Somebody Swallowed Stanley - Sarah Roberts'.

Personal, Social and Emotional Development:

We will be encouraging the children to talk in small groups through learning activities and circle time to develop their social skills and self-confidence.

Mathematics:

We are securing numbers to 10 and developing a concrete understanding. The children will be learning to measure, weigh and compare objects. We will be portioning numbers.

Phonics:

We will continue daily phonic sessions. We will let you know what sounds we are teaching the following week via Marvellous Me. Please refer to the Little Wandle website if you need any support teaching your child phonics. The website has lots of useful information for parents.

Understanding the world:

We will continue with forest school. We will be talking about changes in seasons looking at deciduous and evergreen trees. We will be comparing ourselves to other creatures and using our outdoor environment to create mini habitats. We will also be looking at recycling and thinking about how we can look after our planet for the future.

PE:

Mrs Marsh and Mrs Lopez - Every Tuesday

We will be indoors and outdoors this half term and will be a mixture of gym, games and dance. The children will need school PE t-shirts, plimsolls and. **Please make sure all clothes are named including shoes and socks.** This will solve any mix-ups. **On PE days children will need to wear their PE kit to school.**

Reading:

The children have the opportunity to change their sharing book daily. We will also continue to assign books to each child online. Reading with your child at least 3 times a week greatly increases their progress.

Dates to remember:

Keep an eye on the Newsletter for up to date information.

Home Learning:

We will issue home learning tasks that can be completed weekly over the duration of a half term. We will send Little Wandle home learning sheets on a Monday so your child can revise the sounds they have learnt that week.

Other: What you need and when:

Coat: Please provide your child with a warm coat every day, which they can easily put on themselves. The children learn outside in all weather and need to be dressed appropriately. **Water:** A named water bottle— this needs to be filled each day and brought into school. It would help us if children could bring a **tissue box** in at the beginning of term. We cannot accept responsibility for the children's belongings going missing. To avoid the likelihood of this happening, please ensure **all items brought to school are clearly named.**

PARENTS: The school is always looking for an extra set of hands.....all children love to see Mum, Dad, Nan or Granddad helping out in school. Do you have any special skills you could offer? Can you garden, play games, make things...the list is endless! We would love any offers of help. If you are able to offer any help, please speak to the class teacher or one of our office staff.
