

St George's CE Primary School

Vision, Mission & Virtues

A flourishing fellowship: learning together with God by our side

Vision

At St George's we are proud to be one family of lifelong learners who know that they are special to God. Our family is built upon a strong sense of belonging and mutual respect. Our community gives our children the freedom to flourish and succeed.

Mission

At St George's we are learning today for a better tomorrow for our neighbours, our world and ourselves. Ours is a curriculum that encompasses the whole child, inspiring each one to flourish academically, spiritually and socially. This is achieved through the strength of our teaching, fellowship and pastoral care.

The foundation and character of our vision and mission is the life transforming power of **love** (I John 4.13). Within our loving community, we therefore promote a culture of **forgiveness**, which places equal weight on forgiving others and recognising the need of this ourselves (Matthew 6.14). So we live our lives full of **hope**, informing our aspirations (Romans 8.24). We are proud of our achievements and grateful for our blessings, giving **thanks** at all times (Psalm 107.1). Consequently, we develop strong relationships of **trust** with everyone in our community (I Corinthians 12.25-27). The result of this is a **fellowship** of faith, hope and love (I Corinthians 13.13).

Virtues

The virtues we therefore practise, promote and prioritise are love, forgiveness, hope, thankfulness, trust and fellowship.
