Computers

Recognise common uses of information technology beyond school

I can recognise how others use technology outside of school

Using Computer

Use technology purposefully to create, organise, store, manipulate and retrieve digital content

I can find, open, edit and save files I am working on

Use technology purposefully to create digital content comparing the benefits of different programs

I can use different software programs and discuss the benefits of their usage

E-Safety

Use technology safely and keep personal information private

I know I need to keep my personal information private

Coding

Use logical reasoning to predict the behaviour of simple programs

I can predict the behaviour of a programmed toy, clearly relating each action to part of an algorithm

Create simple programs

I can create a simple program to perform a task

Create and debug simple programs

I can create and debug simple programs

Debug simple programs by using logical reasoning to predict the actions instructed by the code

I can find and fix simple bugs in programs

Understand that programs execute by following precise and unambiguous instructions

I can understand that programs run by following clear instructions
