A flourishing fellowship; learning today with God by our side

WEEKLY NEWS

It is evident from our learning walks this week, and discussions with the children, that they are all enjoying their new topics; the Vikings in Year 6, the Anglo Saxons in Year 5, the Romans in Year 4 and the prehistoric times in Year 3. KS1 are studying significant people from the past. The books that they are studying in Literacy are all linked with their topics so it deepens the children's knowledge and understanding of that period of time too.

Stars of the week: our wonderful stars of the week for KS1 were Elizabeth, Sienna, Tarragon, Elsie, Sofia, Tommy, Thomas, Evie, Zoe and Georgina for always being kind, helpful, for working hard, and demonstrating an admirable attitude to their learning. These children were also praised for showing great resilience, becoming more confident and making such amazing progress. Our stars in KS2 were Yasmin, Lily, Kajus, Amaia, Jude, Elsie, Jon, Scarlett, Frazer, Narayan, Milan, Lara and Freya for being great friends, trying hard, being great role models and showing great skill and listening. The children have also shown good focus, amazing contributions in class, having a positive attitude towards their learning, have set a good example to others and show eagerness and enthusiasm for their learning.

Coffee morning: Thank you to those who were able to attend our coffee morning on Friday. The next one will be Friday, 6th March at 9am. It is an opportunity to meet the Inclusion team and Senior Leadership team to discuss any concerns, issues and have a chat. Everyone is warmly welcome.

Attendance: Our attendance target as a school is 96%. More importantly, our target is for our children to attend school every day in order to flourish, succeed and reach their full potential. Well done to 1M and 3T for having the best attendance.

School Council news

The school council have begun their journey towards gaining the Eco schools Green Flag award, by becoming an eco-committee. This is a simple programme which involves the children in analysing the way our school operates and enables us to become more sustainable. The pupils are involved in evaluating, monitoring, action planning and decision making. As a result, they have ownership of the programme which increases their responsibility to the environment and the local area.
