Dear Parents/Carers

## Re: Special Meal Requirements

Government legislation - *Food Information for Consumers Regulation (EU) No. 1169/2011* – came into force on 13<sup>th</sup> December 2014, and the school is working with its catering providers, Nourish, to ensure a robust system is in place for pupils with allergens to foodstuffs. The legislation requires allergen information to be provided on: celery, cereals containing gluten, crustaceans, eggs, fish, lupin, milk, molluscs, mustard, nuts, peanuts, sesame seeds, soya and sulphur dioxide.

To enable us to ensure that all children with special dietary requirements can be catered for, we would ask that you complete the slip below as a matter of urgency. Any request must be supported by a medical report such as a letter from your GP or hospital dietician. A special menu will then be agreed upon at a meeting between the parent, a Nourish Manager and a member of school staff. Once signed consent for the diet is received by Nourish, a date will be advised for the menu to commence. Please can you also provide 2 recent, passport size, photographs of your child for the catering staff.

Parents/carers who require a special diet for their child are advised not to order school meals until this process is completed.

If you have any questions regarding the above, please contact the Nourish Operations Manager, Siobhan Djemal [siobhan@nourishcontractcatering.co.uk](mailto:siobhan@nourishcontractcatering.co.uk)
